

## **Lehi Youth Football Needs Based Scholarship**

Lehi Youth Football (LYF) is a non-profit entity providing each eligible young man or young woman an opportunity to participate in the great sport of football. Because LYF is a non-profit organization run primarily through registration fees funding is limited. However, each year Lehi Youth Football makes available enough funding to help with the registration equivalent of fifteen (15) participants who desire to play football. These funds are distributed to deserving individuals who otherwise would not have the opportunity to play Lehi Youth Football. Scholarships are reviewed by the Scholarships Review Committee.

If you would like to make a contribution to the Lehi Youth Football Scholarship Fund you may send it directly to Lehi Youth Football. Please be sure to mark the donation “Lehi Youth Football Scholarship Fund” on the envelope.

For those wishing to make a direct donation to sponsor a specific athlete please note the name of the athlete you are desiring to sponsor.

### **Make Your Scholarship Application Count**

- Be sure to complete the application in its entirety. Applications missing information, including requested letters, will be returned to be completed.
- Scholarships are solely need-based; decisions are not based on talent or achievement of the player. The more specific you can be about your financial situation and/or need for financial aid, the quicker the scholarship committee will be able to evaluate your application. If you or your child has made efforts to save or earn money for the season, mention it in your letters. Your child’s letter or parent letter should discuss his or her love of the sport and how the applicant believes this will help him/her to achieve their goals.
- Limited funds are available. Only funding up to the equivalent of fifteen (15) scholarships is available each season. Scholarships are awarded in various amounts; not all aid is equivalent to the full amount of the registration fee.
- You will be notified via email rather an award was made in your child’s name. Please make sure your LYF/Sportsignups account as the most up to date email address. Application review will be accepted up to the first part of June. Responses to each application for a Needs-based Scholarship will be made by mid-June. Please watch the Lehi Youth Football website for actual dates each year. Applications should be submitted as soon as possible for consideration, specifically prior to the published deadline. Applications received after the published deadline will not be reviewed. No exceptions as funding is limited.
- It is recommended that scholarship recipients/family assist LYF through service hours at the Fall Jamboree, Equipment Handouts and Pickups, Snack Shack, etc.
- Scholarships cannot be combined with any other offer or discount.
